

2014 PCTV Per Use Fee Waiver Application

This application is for those who determine the per use fees to be a financial hardship.

Approval of this application will waive per use fees for studio, EFP and editing reservations for the duration of the enrollment. Standard enrollment fee will still apply.

Approval will be based on 2014 Federal income guidelines. Due to waiving of the per use fees, per use coupons will not be distributed with the standard enrollment.

Submit completed application and support documents to the PCTV Executive Director.

The following information is required in order to process application.
