

NOTICE OF APPROVED CHANGES

Dear PCTV Member:

In order to help offset a 30% loss in funding, PCTV will be making the following changes in 2023:

- Set membership for all new and renewing members at \$250/year or \$21/month for city residents and \$350/year or \$30/month for Allegheny County residents (**Note: These are the current rates for Plus members, standard rates are now eliminated**) (Effective January 13, 2023)
- Set studio (Studio A, Studio B, Studio Stream C) use fee of \$50/hour with a two hour minimum beginning as voluntary on January 13, 2023 and becoming mandatory on July 1, 2023.

In conjunction with these changes, PCTV has created a new funding program that will allow PCTV members to get the funds needed to cover membership and studio fees. The program features the following:

- Ability to raise funds through underwriting. Underwriters can receive a brief acknowledgement in your program for their contribution.
- Ability to raise funds through donations.
- All underwriting contributions and donations go directly to PCTV.
- Any funds you raise through underwriting and donations will be kept in an account at PCTV for you to apply towards membership and studio fees.

This program is provided for those who need or desire a funding stream to cover their fees. Participation is optional.

Further details on the funding program will be provided at a training session on a date to be announced soon.

We look forward to implementing these new changes. Should you have any questions, please contact me at john@pctv21.org and at 412-322-7570 extension 302.

Sincerely,

John H. Patterson
Executive Director
